

B1 Korg into Edcor 600/15k loaded with 47kOhm  
 Vin Korg 0.175Vrms  
 Vout Korg 1.03Vrms  
 Vout Edcor 6.06Vrms

Vrms at the Edcor out

Vout Edcor 1.8 Vrms  
 Second and third harmonics at even level

Below that output level the odd harmonics are dominant  
 The B1 Korg alone (not loaded with the Edcor) has second order harmonic dominant at these levels

Vout 0.5Vrms at the Edcor  
Third harmonic dominant
