

ODA V2.0 at-cost price list

4/10/2014

All prices US dollars

paypal payments to rn4b29y7pxh@agdraudio.com

part	price	notes
PC board	\$15.00	Includes twelve 0.5R 1/8W output resistors and some wire for jumpers.
1K audio taper pot	\$1.85	Mouser is out of stock - these came from Digikey
LT3013 negative LDO	\$7.36	Would have to come from Digikey
LT1963A positive LDO	\$5.53	Digkey out of stock, from Arrow
Set of stainless steel M3 regulator mounting hardware, plus rubber case feet	\$4.50	M3 metric hardware with button (socket) heads, 8mm long. Includes stainless nut & lockwasher. The feet stick on are flexible.
Shipping box	\$2.00	
Shipping	\$12	I'll refund the difference from the actual when mailed.
Paypal Fee	4% of total	Add to total

Example: 3 boards + 3 pots + 3 LT3015 + 3 LT1963A + 3 sets of hardware = $\$45 + \$5.55 + \$22.08 + \$16.59 + 13.50 = \$102.72$. Then add box plus shipping = $\$116.72$. Then add 4% for paypal = $(0.04)(103.22) = \$4.67$ So the grand total is $\$116.72 + \$4.67 = \$121.39$. Paypal that amount in US dollars.
