

Texas Instruments Incorporated

PRODUCT WITHDRAWAL / DISCONTINUANCE NOTIFICATION LETTER
PCN# 20011113000A
(Reissued of PCN20011113000 - 11/27/01 with Correction to Affected Device List)

November 16, 2001

Dear Customer:

Texas Instruments Incorporated (TI), Semiconductor Group continually monitors sales and billings activities on all products offered to its customers. The activity for products listed in the attachment have declined to a level which warrants the discontinuance of these products by TI. Because you have purchased one or more of the products listed during the past twenty-four-- (24) months, we would like to know if you have any continuing requirements for them in the future.

We would appreciate your advising us of any such requirements and estimated quantities needed. The product will be discontinued twelve (12) months from the above date.

In an attempt to satisfy any continuing requirements you may have, TI is offering a non-cancelable lifetime buy for the product. The lifetime buy order needs to be received on or before **May 15, 2002**. All shipments will be made prior to **November 15, 2002**.

We would appreciate your early response to these questions. We will contact you as soon as we have completed our review of all customer responses to determine the appropriate course of action required satisfying your future needs for these products.

Please contact your local Field Sales Representative or me, if you have any questions or need any additional information.

Sincerely,

George Dell
