

USBStreamer Interface V5
(c) JH 131214

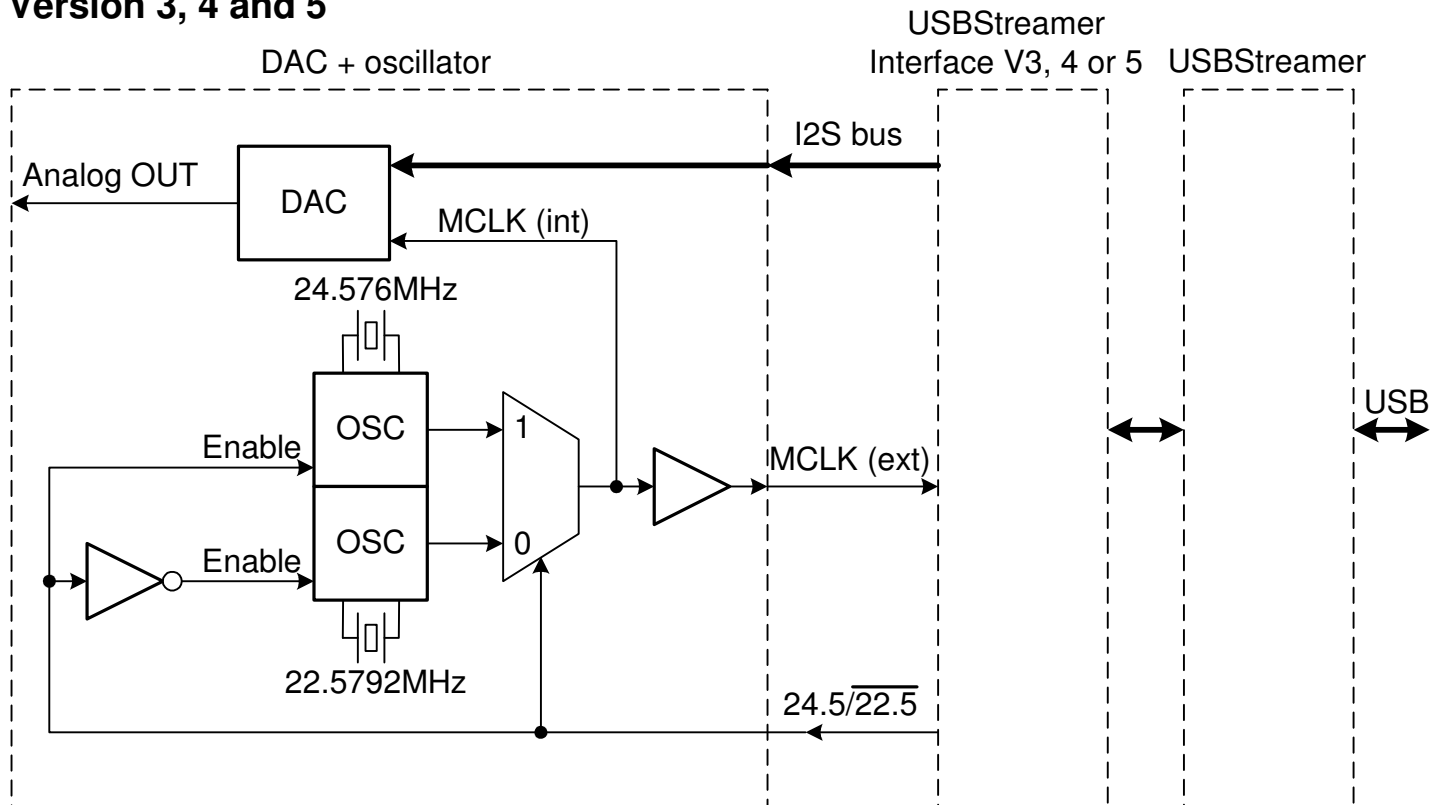

USBStreamer Interface
(c) JH 131214

Version 1 and 2

The signal MCLK (ext) is sensitive to noise in this case

Version 3, 4 and 5

The signal MCLK (ext) is not sensitive to noise in this case

With V5 there are additional clock frequency options ($\times 1/2$ and $\times 2$)
