

Internal width=13.56"

Dimensions in inch.

For Hornresp:

S1=.01
S2= 53.6in^2 (345.64cm^2)
S3=109.9in^2 (708.71cm^2)
S4=176.1in^2 (1135.94cm^2)
S5=225.4in^2 (1454.42cm^2)

L12=10.927in (27.75cm)
L23=69.367in (176.19cm)
L34=18.813in (47.78cm)
L45=13.412in (34.07cm)

Note:

The drivers are to be mounted to mounting plates. The idea is to glue stiffeners into the box that become part of the enclosure, and provide alignment for the driver mounting plates.

stiffeners, e.g.:

mounting plate, e.g.:

The exact locations and dimensions for the drivers, mounting plates and stiffeners have not been worked out.
Example only.

It may be necessary to provide access panels for driver mounting and stuffing.
