**RESTRICTIONS.** You may not sell or otherwise distribute the Evaluation Product for commercial purposes, in whole or in part, or use the Evaluation Product in production systems. Except as provided in this Agreement or in the Evaluation Product's documentation, you may not reproduce the board or software or related documentation, or reverse engineer, de-compile or disassemble the software, in whole or in part. You agree that neither the Evaluation Product nor any other technical data received from Arda, nor the direct product thereof, will be directly or indirectly exported, re-exported or released to any destination or country for which the United States government or any agency thereof or other applicable non-U.S. governments or agencies, at the time of export, require an export license or other governmental approval, without first obtaining such license or approval.

**NO WARRANTY.** The Evaluation Product is provided "as is" and "with all faults" without warranty of any kind. Arda and its licensors expressly disclaim all warranties, expressed, implied or otherwise, including without limitation, warranties of merchantability, fitness for a particular purpose and non-infringement of intellectual property rights. You are responsible for determining whether the Evaluation Product will be suitable for your intended use or application or will achieve your intended results. Prior to using or distributing any systems that have been evaluated, designed or tested using the Evaluation Product, you agree to thoroughly test and validate your design implementation to confirm the system functionality for your application. **LIMITATIONS OF LIABILITY.** Arda or its licensors shall not be liable for any special, consequential, incidental, indirect or punitive damages, including but not limited to, the costs of labor, requalification, delay, loss of profits or goodwill, whether arising out of Arda's performance or non-performance of this agreement or the use or inability to use the Evaluation Product, even if Arda is advised of the possibility of such damages. In no event shall Arda's aggregate liability from any obligation arising out of or in connection with the license or use of any Evaluation Product provided hereunder, under any theory of liability including but not limited to contract, tort or promissory fraud liability, exceed the purchase price paid for the evaluation product, if any. To the maximum extent permitted under law, the limitations in this paragraph shall apply even if any limited remedy specified under this Agreement is found to have failed of its essential purpose.

**TERMINATION.** Arda may terminate this license at any time if you are in breach of any of its terms and conditions. Upon termination, you will immediately return the Evaluation Product and documentation to Arda.

**GOVERNING LAW.** This Agreement shall be governed by the laws of Delaware, excluding its principles of conflict of laws and the United Nations Convention on Contracts for the Sale of Goods.
