

Folded Horn Acoustic Guitar Patent # 10,777,172

1

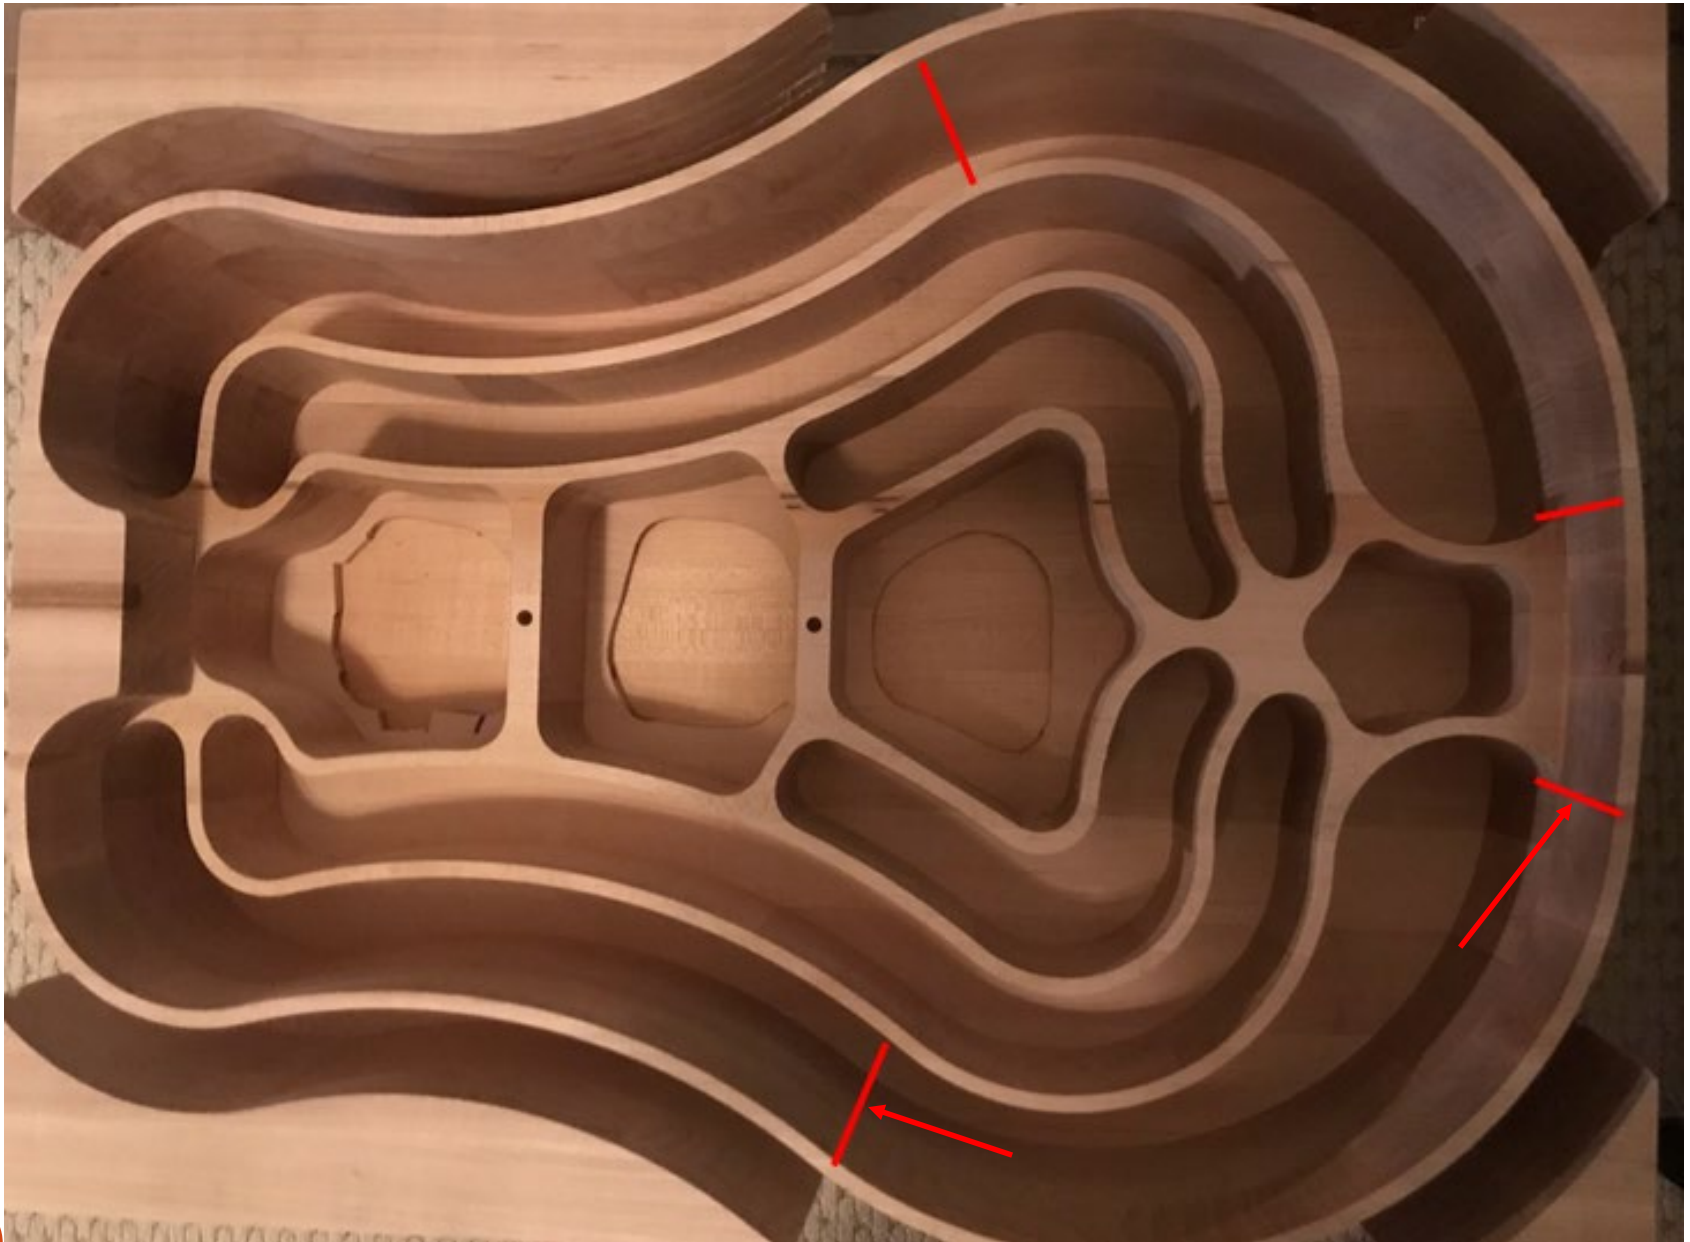

Body manufacturing feasibility is finally proven. Still need to cut slots in wave guide/horn areas by hand. Electronics/feedback testing is next.

Folded Horn Acoustic Guitar Patent # 10,777,172

Still need to cut all side ports by hand.

Folded Horn Acoustic Guitar Patent # 10,777,172

Horn taper before horn ports are cut into end of guitar.
