

Product Features

- Electronic Energysaving Lamp with integrated ballast and E27 base for 12V DC operation
- Up to 6 times the life-time of regular incandescent lamps
- E27 screw base for easy replacement of incandescent lamps
- Up to 80% energysaving compared to regular incandescent lamps

	DEL 11W/840 12V E27
Warmstart	yes
Power Input (W)	11
Lamp Current (mA)	915
DC Operation	10.3 to 14.5V
Luminous Flux (lm)	600
Luminous Efficacy (lm/W)	54,5
Light Colour	840
Colour Rendering	1B
Operating Temp-Range (°C)	-10° to +50°C
Energy Label	A
Length L (mm)	148 ± 2
Diameter d (mm)	45
Weight (g)	90
Suitable for DC Operation	Yes
Rated Average Life (h)	6.000

The lamps comply with:

- EN60968 Safety Requirements
- EN60969 Performance Requirements
- EN60695-2-1 Glow Wire Test
- EN60695-2-2 Needle Burner Test
