
Main Units are in Inches, Units in brackets are in mm

1. Tweeter: Peerless TL26SG, 26mm
2. Woofer: Peerless M16GJ, 6.5"
3. Box Tune Frequency: Fb:43.7Hz
4. Box F3: 42.07
5. Gross Box Volume =23.850 ltrs
5. Net Box Volume used for unibox simulations (subtracting internal br
driver volume, port volume and battens volume)- 20.62ltr.
6. Unibox Calculations are tuned to 20.62 ltr, with port dia of 2.5" and
6.1. For bracing and batton dimensions, pl refer vol.calc.m16gj.tl26sg x
7. TL26 SG Baffle flush mount and driver c/o dia incorporated.
8. Port Cut out dia incorporated (ID2.5", OD2.75",FlareOD3.1", Port LT
9. Box material is MDF- 1.0 inch thick
